IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the matter of Application Serial No.: 85/228,764
Published in the Official Gazette on June 7, 2011

MYBODY, L.L.C.,

Opposer,

vs.

HUANG-BEGOVIC, CATHERINE
BEGOVIC, BINAIS,

Joint Applicants.

Opposition No. :

NOTICE OF OPPOSITION

MYBODY, L.L.C., an Arizona limited liability company with a business address at 5080 North 40th Street, Suite 375, Phoenix, Arizona 85018 (“Opposer”), believes that it will be damaged by registration of the mark depicted in Application Serial No. 85/228764, filed by Catherine Huang-Begovic and Binais Begovic as joint applicants (collectively, “Applicant”) which application was filed on January 28, 2011.

The grounds for this Opposition are as follows:

1. Applicant seeks to register the mark MDBODY as a service mark for “on-line retail store services featuring health and beauty preparations and accessories, dietary supplements, and accessories” in Class 35 (Applicant’s Trademark Application referred to herein as the “Opposed Application”).
2. The Opposed Application was filed based on an alleged *bona fide* intention to use the marks in commerce.
3. Upon information and belief, Applicant did not use its alleged service mark for its identified services in the Opposed Application anywhere in the United States of America or in commerce prior to the filing date of the Opposed Application.

4. Opposer timely filed a request for, and received, an extension of time to oppose the Application for Serial No. 85/228,764 until August 6, 2011.

5. Opposer adopted and filed its name MYBODY, L.L.C. with the Arizona Corporation Commission on April 28, 2010.

6. Opposer is the owner of the United States Trademark Applications and Registrations listed in Attachment A that were filed prior to the filing date of the Opposed Application. Copies of TESS Printouts for each of the Opposer's applications and registrations identified in Attachment A are attached to this Notice of Opposition as Attachment B.

7. Applicant's applied-for mark is substantially and confusingly similar to the marks of Opposer identified in Attachment A and to Opposer's corporate name.

8. The services identified in the Opposed Application are identical to or closely related to the goods and services in connection which Opposer has used, is using or is intending to use its mark and corporate name. On information and belief, Opposer's goods and services and Applicant's services are or will be offered to the same classes of consumers through the same channels of trade.

9. Opposer's first use of its corporate name and the filing dates of its applications identified in Attachment A are earlier than Applicant's filing date of the Opposed Application. Additionally, upon information and belief, Opposer is using its mark in commerce prior to Applicant's use of its mark in commerce.

10. If Applicant uses the applied-for mark for the goods identified in the Opposed Application, such use would be likely to cause confusion, mistake, and deception as to the source of Applicant's services, all to Opposer's damage. Customers and potential customers are likely to believe that Applicant's services originate from, or are sponsored and approved by Opposer, when that is not the case. Any dissatisfaction with Applicant's services would reflect upon and irreparably damage Opposer's reputation and goodwill as embodied in its MYBODY mark and name.

11. Applicant's mark consists of and comprises matter that may disparage and falsely suggest a connection with Opposer.

12. Because Opposer's filing date for its above-identified applications and the date of first use of its MYBODY mark and name predates the filing date of the Opposed Application and because Applicant's applied-for mark is likely to cause confusion with Opposer's above-identified marks and name, the Opposed Application should be refused registration.

13. On information and belief, at the time of filing the Opposed Application, Applicant lacked a *bona fide* intention to use the mark MDBODY for the services identified in the Opposed Application, and on that ground the Opposed Application should be declared void ab initio.

14. If Applicant is granted the registration of the Opposed Application, it would support statutory rights for Applicant in violation and derogation of Opposer's prior rights which would be a source of damage to Opposer.

WHEREFORE, Opposer respectfully requests that this Opposition be sustained and that the mark depicted in the Opposed Application be refused registration. Opposer further requests other such relief as the Board deems just and proper.

Respectfully submitted,

Attorneys for MyBody, L.L.C.
